SUBJECT: **ADDENDUM NO. #1**

1. The following is the answers to the question that was received regarding Request for Qualifications No. 15-700072, Home Repair for Single Family Detached Homes:

Question 1: I had a question pertaining to the first source job ordinance requirements for RFQ 15-700072-Home Repair Single Family Detached Homes. How will the first source requirement effects the bids? Specifically, will the bid amounts submitted be aggregated collectively or valued separately as it pertains to the \$50,000 hiring restrictions?

Answer 1: When it is time to submit bids for projects, they will be valued separately. Under these circumstances the First Source Ordinance may or may not apply.

2. For participants that submitted an application under RFQ 14-700063, Special Purpose Home Repair for Single Family Detached Homes, if you did not receive a Notice of Eligibility, you must re-submit documentation to participate in RFQ 15-700072-Home Repair of Single Family Detached Homes.
3. It is the responsibility of each bidder to ensure that he/she is aware of all addenda issued under this RFQ. Please sign and return this addendum. You may call me at 404-371-0884 before the applications are due to confirm the number of addenda that has been issued.
4. All other terms and conditions remain in full effect.
